Where Children Are Treated Like Royalty

ATTENTION

This school year have been great so far and we are all looking forward to the amazing things the children will discover. As we go on a journey we are asking for support from all our parents by joining us to make it an amazing adventure! Look out for new things we are implementing in our program this year!

As we approach the flu season we are asking parents to consider the health of all the children that are in our care. Please check your child for any sign of sickness before bringing him or her to school. If your child has signs of sickness he or she must remain at

home. If your child is brought to school sick he or she will be sent home and a doctor's note will be required upon return to the center.

Royal Learning Center is implementing a new incentive program called "RLC Stars" to show recognition for children who are involved in our program. In order to be rewarded it requires parents participation. Each month a child completes a project he or she receives at least \$100 of play money to purchase something from our little store. Points can be gained by doing the following: reading a book & completing the homework sheet book list located on the back, doing homework, submitting documents on time, attending parent club meetings, following the instructions on the family notes, children having good behavior and participating in class, etc. In addition we are asking parents to help us build up our store by donating items and giving it a dollar amount for the children to purchase at the end of each month!

EVENTS

On Friday, October 29th we will have a Halloween party for the children and a Trunk or Treat. This day will be full of games and prizes. The activities include a parade, costume contest and a pumpkin carving contest. Be fun! Be creative! Think outside the box!
In addition to treats we are accepting donated prizes to give to children who win games.

BIRTHDAYS

Tristen turns three on the 18th

FUNDRAISER

We raised a whopping \$239! We look forward to more successful fundraisers to continuously maintain the upkeep of the center and have the necessary supplies & equipment for the children.
We will have another Turkey fundraiser Friday, November 5, 2021. Please tell your family and friends. Flyers will be distributed.

OUR ROYAL COURT

This month the following children should be recognized for outstanding behavior during class. These students are eager to learn and constantly keep our teachers on their toes.
