Thursday, March 21st there is an **early 3:00pm dismissal** for staff development!

VOTE! VOTE! VOTE! For Employee of the Month. Our staff looks forward to the constructive feedback. Let them know they are doing a great job to keep them inspired!

Attention

Parent Teacher Conferences will be held March 11th - 15th. Schedule an appointment with your child's teacher via Brightwheel if you are interested in reviewing his or her progress. Assessments will be available to view during the conferences to also highlight the areas that needs improvement.

Events

The children who sold more than \$200 worth of goods will go on a field trip Urban Air. All the details are included in the trip slip.

On Friday, March 17th please dress your children in the color green! It's St. Patrick's Day and you know what happens when you don't wear green... wink, smiley face.

The fun doesn't stop there... We have Easter right around

the corner. Friday, March 29th the children will have their **Easter Eggcellent Hunt** along with a fun filled day of activities. We highly encourage parents to come and join us for the Easter festivities. Please refer to the Easter agenda and March calendar for more details. But, before getting to the details we need a few items from each family. The items needed includes one dozen hard boiled eggs or plastic eggs with little trinkets inside (please no candy). In addition to the eggs, we are also asking for cute items to put in each child's Easter basket. The eggs and basket items are due Monday, March 25th. I also highly recommend that each child bring some sort of basket for the **HUNT** to carry all the eggs he or she may gather.

What Next?

We are looking forward to hosting our 15th annual Science Fair on Friday, April 26th! Put on your thinking caps and think outside the box. All participants will receive a token for their hard work. There will also be prizes for 1st, 2nd and 3rd place winners. The guidelines for the science fair will be sent next month along with the newsletter.
